

FIFTH GRADE HOMEWORK

Homework assignments are due the next morning, unless otherwise specified.

If the homework assignment is not turned in on the day it is due, it will be accepted the next day with a 25% penalty. If it is not turned in on the second day, a 50% or "F" is earned; however, the assignment must still be given to the teacher.

I understand that I am fully responsible for getting homework assignments done on time. I also understand the consequences for choosing not to be responsible.
